Dear WCPOS V Abstract Submitter,

Thank you so much for your patience. WCPOS V originally penciled to be held October 2020 will now be held August 2021, again in AMSTERDAM. In the meantime, WSPOS will be holding a unique virtual meeting called **WSPOS World Wide Connect** on 26th September 2020. **WSPOS World Wide Connect** will be a 24-hour virtual meeting that will have live sessions in different time zones across the globe and an interactive, online library with all abstracts submitted for WCPOS V.

We sincerely hope that you will be willing to upload your abstract, for WSPOS World Wide Connect on 26th September 2020. **Please let us know as soon as possible if you are willing to contribute your abstract to World Wide Connect or if you would prefer to submit the same abstract for the physical meeting in Amsterdam next year in August 2021, by contacting programme@wspos.org with the subject "WCPOS V – Abstract - WSPOS Connect"**

At Connect, we will not be holding parallel sessions so that viewers and participants can really enjoy the program from the comfort of their homes or offices and browse through uploaded abstracts in their own time.

YOUR CONTRIBUTION AND ROLE FOR EITHER WCPOS V or WSPOS WORLD WIDE CONNECT REMAINS UNCHANGED, PLEASE INFORM US WHICH MEETING YOU WOULD PREFER TO PRESENT YOUR ABSTRACT– YOUR SUPPORT IS OF PARAMOUNT IMPORTANCE TO US

We sincerely hope you will agree to display your abstract either virtually this September or in person next August

Please note that Connect will afford 14 CME credits and for attendees and consultants is only €75 and for all others €50, for this amount you will be able to get content for up to at least 72 hours after the event is held and on the 3rd October access to the 3 Keynote Lectures and 3 "Best Of" sessions for Free Papers, Posters and Videos.

Please note that anyone who pre-registered for WCPOS V this year has had their money refunded in full.

Please don't hesitate to get in touch if you have any queries about this and once thank you for your continuing support of WSPOS.

Kind Regards,
